

College Profile:

Bonam Venkata Chalamayya Institute of Technology & Science was established by Late Sri Bonam Venkata Chalamayya, a philanthropist and educationist, with the aim of providing quality technical education in the heart of Konaseema with International standards in the year 2002. It is spread over a sprawling area of 25 Acres at Batlapalem, East Godavari District.

B.V.C Institute of Technology & Science has earned a reputation as an institution of excellence in Andhra Pradesh. Since its inception, utmost importance has been given to discipline and quality education. The college is working towards mission accomplishment to serve the nation as a centre for the advancement, preservation and dissemination of knowledge.

The institute offers B.Tech courses in Electronics & Communication Engg, Electrical & Electronics Engg., Computer Science & Engg., Mechanical Engg and Civil Engg. and also offers PG courses- Master of Computer Applications and Business Administration. It is also offering Diploma Courses in Engineering Branches. Our Institution is Accredited by NAAC and all eligible UG Courses are Accredited by NBA.

Objective of the programme:

The objective of this programme is to create an excellent opportunity to realize the potentials and to have an exhilarating experience by participating in the Technical, Cultural and Sports events. Here the students are given an opportunity to exhibit their inherent talents and to improve their performance skills.
