

College Profile:

Bonam Venkata Chalamayya Institute of Technology & Science was established by Sri Bonam Venkata Chalamayya, a philanthropist and educationist, with the aim of providing quality technical education in the heart of Konaseema with international standards in the year 2002. It is spread over a sprawling area of 25 Acres at Batlapalem, East Godavari District.

B.V.C Institute of Technology & Science has earned a reputation as an institution of excellence in Andhra Pradesh. Since its inception, utmost importance has been given to discipline and quality education. The college is working towards mission accomplishment to serve the nation as a centre for the advancement, preservation and dissemination of knowledge.

Our Institution has well equipped Laboratories, Digital library and “State-of-the-Art technology for Research”. The institute offers B.Tech courses in Electronics & Communication Engg., Electrical & Electronics Engg., Computer Science & Engg., Mechanical Engg., Civil Engg., and also offers PG courses- M.Tech, Master of Computer Applications and Master of Business Administration. It is also offering Diploma Courses in Engineering Branches.

Objective of the programme:

The objective of this programme is to create an excellent platform to exhibit student's inherent talents and to improve their technical & communication skills apart from personality development. We are organizing this National Level Students' Convention for the young technocrats to explore their competitive spirit.

Eligibility:

Students of various Engg. Colleges from the Departments of CSE, ECE, EEE, CIVIL, MECH, MCA & MBA.
